Board of Education Executive Summary

Academic Office: Revised Board Policy 6142.7

Physical Education Instruction

January 22, 2015

I. Overview

Sacramento City Unified School District (SCUSD) recognizes that physical education significantly contributes to students' well-being and to SCUSD's Strategic Plan; therefore, it is an integral part of our student's education experiences. High-quality physical education instruction contributes to good health, develops fundamental and advanced motor skills, improves students' self-confidence and provides opportunities for increased levels of physical fitness that are associated with high academic achievement.

The current Board Policy 6142.7 Physical Education Instruction was last updated on May 20, 2004, one year before state standards were adopted. The California State Board of Education on January 12, 2005, adopted the

. These standards focus on the content of physical education and incorporate the detail required to guide the development of consistent, high-quality physical education instructional programs aimed at students learning and achievement. The standards provide a comprehensive vision of what students need to know and be able to do at each grade level. In addition, the standards provide a model for high school course design. T

Instruction

The Governing Board desires to provide a physical education program which builds interest, proficiency in movement skills and encourages students' lifelong fitness through physical activity. All students are expected to participate in the physical education program according to education code. The program will be modified for students with special needs. Besides promoting high levels of personal achievement and a positive self-image, physical education activities should teach students how to cooperate in the achievement of common goals.

(cf. 6142.8 - Comprehensive Health Education)

(cf. 6145.21 - Sportsmanship)

(cf. 6146.1 - High School Graduation Requirements)

The Board shall approve the components of the physical education program.

(cf. 6143 - Courses of Study)

(cf. 6146.1 - High School Graduation Requirements)

Physical education staff shall take special care to ensure that excessive physical exertion is not required of students who have informed staff of a heart or respiratory condition or other physical disability that may restrict such activity. Any dispute concerning such a condition shall be submitted to the principal or designee, who may make appropriate inquiries consistent with state and federal law. An appropriate alternative activity shall be provided for these students.

(cf. 6164.6 - Identification and Education under Section 504)

Physical education staff shall appropriately limit the amount or type of physical exercise required of students during air pollution episodes, hot weather, or other inclement conditions.

(cf. 3516 - Emergencies and Disaster Preparedness Plan)

Exemptions

With the consent of the student, the Superintendent or designee may grant temporary exemption from physical education under either of the following conditions: (Education Code 51241)

1. A student is enrolled for one-half time or less.
2. A student is ill or injured and a modified program to meet his/her needs cannot be provided.

The Superintendent or designee may grant permanent exemptions from physical education for a student who is either: (Education Code 51241)

1. Age 16 years or older and has been in grade 10 for one or more academic years
2. Enrolled as a postgraduate student
3. Enrolled in a juvenile home, ranch, camp or forestry camp school with recreation and exercise scheduled

The Superintendent or designee may exempt students, with their consent, from any two years of physical education courses during grades 10 through 12 pursuant to Education Code 51241 provided the student has passed the physical performance test administered in grade 9 pursuant to Education Code 60800. (Education Code 51241)

The Superintendent or designee may excuse any student in grade 10, 11 or 12 who attends a regional occupational center or program from attending physical education courses if such attendance results in hardship because of the travel time involved. (Education Code 52316)

The Superintendent or designee may exempt students from physical education when they are participating in interscholastic athletic programs which entail comparable amounts of time and physical activity, provided their physical education, in its entirety, meets the district's curricular standards.
