## **Renewal is in the Best Interests of Students**

---

CMP-Capitol has served with intimate classrooms, and deep collaboration between families, teachers, and administrators has been a popular choice for Sacramento families for years. Every year CMP-Capitol has more applicants than we have space to accommodate. CMP conducts a random public lottery to admit students due to the great interest in our school. For a range of reasons, families have determined that attending this school is in the best interest of their children.
