DELAC for Support: My comment is in full support of the push in model proposed for our Long Term English Learner (LTEL) students at California Middle School.

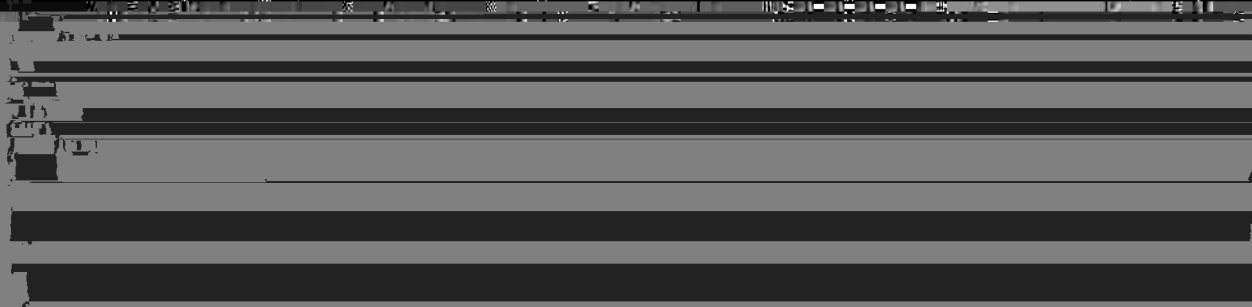

On December of last year, I had the opportunity to chaperone Ms. Sanchez' 7th grade class on a field trip to the Chicano Research Center, an interactive bilingual museum.

Comment: Ms. Sanchez helped us a lot in 7th grade. Without her my grades would've been real low. She helped me a lot.

Marisol Ramirez: DELAC: I am very sorry, I think Ms. Sanchez could have helped the class, especially with all of this happening, it is a shame that they did not want to offer the class to the students. Thank you very much!

Humberto Toledo: DELAC: What are the chances of getting the class scheduled for the fall semester? The students are very interested in it. I would like to see if we can get it scheduled for the fall semester.

Comment: DELAC: Lo siento mucho, yo creo si si hubiera podido ayudar Ms. Sanchez a la clase, más aún con todo esto que está pasando, es una pena que no hallan querido ofrecer la clase a los estudiantes. Muchas gracias!
