

Erin Hanson, Assistant Superintendent Curriculum and Instruction

SCUSD CORE VALUE

We recognize that our system is inequitable by design and we vigilantly work to confront and interrupt inequities that exist to level the playing field and provide opportunities for everyone to learn, grow and reach their greatness.

SCUSD GUIDING PRINCIPLE

All students are given an equal opportunity to graduate with the greatest number of postsecondary choices from the widest array of options

Education Code Section 60119 (as revised by Chapter 900, Statutes of 2004) specifies the governing board shall hold a public hearing on or before the end of the eighth week of the school year. The Board shall make a determination through a resolution as to whether each pupil in the district has sufficient textbooks or instructional materials in each subject consistent with the content and cycles of the curriculum framework adopted by the state board, and to identify the remedy for any insufficiencies.

As specified in Education Code, the purpose of SCOE's visits to SCUSD schools is to:

1. Determine if pupils have "sufficient" instructional materials in four core subject areas (English language arts, mathematics, history/social science and science, including science laboratory equipment in grades 9-12) and, as applicable, in foreign language and health.
2. Determine if there is any facility condition that "poses an emergency or urgent threat to the health or safety of pupils or staff."
3. Determine if the school has provided accurate data on the annual School Accountability Report Card (SARC) related to the sufficiency of instructional materials and the safety, cleanliness, and adequacy of school facilities, including "good repair."

- ALL SITES provided with textbook inventory list and surveyed for textbooks/instructional materials needs.
- 2023-24 Williams Site List provided by SCO E.
- Surplus textbooks and instructional materials redistributed, additional textbooks and instructional materials ordered and distributed to sites.
- SCO E scheduled site visits and provided sites with visit instructions.
- SCO E conducted site visits and either cleared sites for sufficiency or reported insufficiencies for sites to remedy.
- Insufficiencies remedied via collaboration between site and Library Textbook Services.

- Abraham Lincoln, Bret Harte, Caroline Wenzel, Cesar Chavez (4-6), Ethel I. Baker, Isador Cohen, John Bidwell, John Cabrillo, John Sloat, Leataata Floyd, Mark Twain, Martin Luther King Jr., Pacific, Parkway, Suy:u, Theodore Judah, and Woodbine

Certifies that each Sacramento City Unified School District student has sufficient textbooks and/or instructional materials in all core subjects that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks. Additionally, the resolution certifies the availability of science lab equipment at grades 9-12.
