Recommendation : Approve the 2020-21 School Plans for Student Achievement (SPSA) for Charter Schools

Background/Rationale : Each school participating in state and federally funded programs, per the Consolidated Application (ConApp), is required to develop or update its SPSA on an annual basis. Historically, SCUSD charter schools draft a Local Control and Accountability Plan (LCAP) to fulfil this requirement. However, Senate Bill 98, approved by Governor Newsom on June 29, 2020 state that the 2020-21 LCAP no longer required. As a result, charter schools must complete a SPSA for the 2020-21 school year.
