The District has an interest in considering modifications to Article 7 to enable the District to continue to offer competitive salaries to its certificated employees while maintaining a sustainable budget and fiscal solvency.

The District has an interest in considering modifications to Article 5 to further develop the evaluation process and forms to allow for efficient and effective employee evaluations.

2. Article 6 – Leaves of Absence

The District has an interest in considering modifications to Article 6 to ensure that the article complies with existing law and provides employees with leave rights consistent with those laws, while streamlining certain provisions to remove duplication and provide greater consistency. [Removed legislation as that is not legally binding until it becomes law]

3. Article 7 – Salary and Health Benefits

The District has an interest in considering modifications to Article 7 to enable the District to continue to offer competitive salaries to its certificated employees while maintaining a sustainable budget and fiscal solvency.

4. Article 8 – Work Year
