*engage*

*programs we have in the District that we need to continue to celebrate. However, we have to come to terms with the fact that we have a budget structure that is not going to allow us to continue to celebrate the variety*

**WORKSHOP/S**

*introduced Science Coordinator Aaron Pecho, Science Training Specialists Matt Callman and Janna Cantwell, and teacher Susan Rubert from Hiram Johnson High School. Mr. Turkie went over the California Science Framework that came out in 2016, state's revision in*

*2018, and the District's process to adopt science instructional materials, which began in January of 2019. Mr. Pecho went over the adoption process and shared the recommended materials. The team also went over next steps.*

#### *Board Member Comments*

*Member Murawski asked some questions about molecular biology and how the adoption will support this class. Mr. Pecho replied that molecular biology is intended to be a substitute for the core biology class and, as such, that class will utilize the core materials.*

*Member Garcia asked a question about the table of piloted materials. She asked about student votes and community feedback in regard to teacher votes. Mr. Pecho explained the variables considered and at what points in the process weigh-in was received. He noted that they did not get a large number of parents and community members giving feedback, but most of the feedback was in the form of letters.*
