3298, which conveys public safety easement entitlements to the City of Sacramento for a new Woodbine Elementary fire hydrant

Background/Rationale: The City of Sacramento is seeking to acquire a permanent Easement for an installation of a fire hydrant over a portion of Woodbine Elementary School, located at 2500 52nd Avenue, in the City of Sacramento.

Pursuant to Education Code 17557, the District adopted Resolution No. 3291 at its October 6, 2022 meeting, and it declared the District's intention to convey certain District property located at 2500 52nd Avenue, Sacramento, CA 95822, to the City of Sacramento for a public safety easement.

Pursuant to Education Code 17558, copies of the adopted Resolution No. 3291 was posted in three public places within the District and a Notice of Public hearing was published in The Daily Recorder on November 3, 2022.

Financial Considerations: None

, the Sacramento City Unified School District (“District”) owns the property at Woodbine Elementary School located at 2500 52nd Avenue, in the City of Sacramento (“Property”); and

, The City of Sacramento is seeking to acquire a permanent easement (“Easement”) for the installation of a fire hydrant over a portion of the property along 52nd Avenue; and

, The existing private fire hydrant located at the Property was found to be inadequate; and

, pursuant to the Education Code, the District must adopt this Resolution of Intention, by a two-thirds vote, and establish a time at a subsequent Board meeting to hold a public hearing in order to consider adoption of a resolution, by the same vote, for the actual approval of the public access entitlements (the “The City of Sacramento Public Access Easement Entitlements Resolution”); and

, the City of Sacramento fire hydrant is necessary to improve public safety; and

, the City of Sacramento desires to acquire an area of approximately 135 square feet for said Easement for \$1,500.
