Recommendation : Approve Tradition School Calendar 2024-2025 & 2025-2026 School Years

Background/Rationale : The Traditional School Calendar 2024-2025 & 2025-2026 school year calendars provide additional instructional days for students. It is also important for staff, students, parents, and community members to have the opportunity to plan for the upcoming school years.

It is important to note that these 2024-2025 and 2025-2026 school calendars include eight (8) additional instructional days in each of the two school years, which have been added to the beginning of each school year. The District will be applying to the State Board of Education (SBE) and requesting approval of these additional eight (8) instructional days to the 2024-2025 and the 2025-2026 school calendars, in order to avoid an instructional day and time penalty.
