2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Rosa Parks Middle School parents gather to ask questions, discuss ideas, and help shape the school's direction through their involvement with the School Site Council. The School Site Council, English Language Advisory Council, Parent Support Center, and parent volunteers help carry out the school's mission. Family/Staff meetings are another opportunity for families to include their input.

Every sports season, parents congregate with the teachers and administrators to applaud the efforts of our student-athletes. During the year, families enjoy watching their students perform during events. Family Nights and other celebrations offer opportunities to gather. Back to School Night and Open House provide scheduled opportunities for parent(s)/guardian(s) to visit our campus when appropriate and/or meet with their student's teacher(s) and learn about services that we are able to provide. Academic Accomplishment Ceremonies that recognize student achievement, and promotion celebrations afford staff and students an opportunity to celebrate student achievement together.

Daily, parent(s)/guardian(s) are able to call and meet with administrators, teachers, counselors, the Student Support Center, or other available staff. Teachers are encouraged to develop positive relationships with parents through ongoing communication. Routinely, parent(s)/guardian(s) help prepare for special events. We offer a Parent's Center on campus. This parent center provides parent(s)/guardian(s) with access to resources and services, while providing a means for becoming more involved in campus life. Parent(s)/guardian(s) are an integral part of the Rosa Parks academic community and the middle-school experience. Parent Workshops, Testing /Informational Workshops are available to parent(s)/guardian(s) as well. We encourage and create opportunities for the engagement of all of our families in the education and success of our students.
