ADDENDUM NO. 1

Date: December 7, 2022

Issued by: Sacramento City Unified School District

Project: RFP 23-001, Electrical/Low Voltage Design Services

You are hereby notified of the following changes, clarifications, or modifications to the original Contract Documents, Specifications, and Drawings. This Addendum shall supersede the original project documents, and shall take precedence over anything to the contrary therein. All Addenda shall be acknowledged in the Bid Form. Failure to do so may result in disqualification of the bid. All other conditions remain unchanged.

RESPONSE TO REQUEST FOR CLARIFICATION

Question: The RFP requests examples of bell clock experience. Do you require examples of all of the low-voltage systems that we are submitting qualifications for?

Response: Yes. There might be opportunities in future for other low-voltage systems design services required by SCUSD.
