Comment Your handling of IS is a huge FAILURE of district administration. Waiting until the last minute and not working with site staff and teachers at home schools is a calculated risk you took to avoid collaboration. Your stubbornness has allowed 1300+ students to be left behind without any emotional or physical tether to schools.

As a parent, we see that you are putting lawsuits and petty PR fights over the general mental and physical health of our kids. You have my vote of no confidence. Aguilar should be fired. His track record during covid speaks for itself.

As a parent in Area 4, Darrel Woo also receives a no confidence vote for never once responding to my or other parent's emails or concerns in the past 4 years. I hope he is
