

Novel Coronavirus or COVID-19 Response Update

Board Meeting
April 2, 2020
Agenda Item No. 7.1

Presented by: Doug Huscher, Assistant Superintendent Student Support
& Victoria Flores, Director Student Support & Health Services

COVID-19

Coronavirus disease 2019 (COVID-19) is a respiratory illness that can spread from person to person.

Symptoms range from mild to severe respiratory illness with symptoms of fever, cough & shortness of breath

CDC believes symptoms may appear in as few as 2 days or as long as 14 days after exposure.

Current Situation

- Sacramento County Public Health (SCPH):
- Increasing community spread of COVID-19
- Moving from containment to mitigation measures
- Expansion of testing capacity
- Close partnership with SCPH, Sacramento County Office of Education & Surrounding Districts
- Working with Labor Partners

“Stay Home” Guidance

- Student, employees, and family member should stay home if they are sick:
 - fever, cough, shortness of breath - stay at home from work or school until free of symptoms for at least 72 hours after symptoms resolve
- Provide physical distancing for sick individuals -

Confidentiality

- Stress the importance of confidentiality

FERPA/HIPAA

- While the law allows us to share information with Public Health Officials, we must still protect staff and student confidentiality
 - What we would want for our own self or family

SCUSD Response

Current:

- Disinfecting protocols
- Inventory supply-lines & ordering
- Physical Distancing practices

In Preparation for School Resuming:
