<u>Recommendation</u>: Receive report on the potential consequences of fiscal insolvency from Dave Gordon, Sacramento County Superintendent of Schools, and Mike Fine, Executive Director, Fiscal Crisis Management Assistance Team.

<u>Background/Rationale</u>: Education Code Section 42135 details the actions of the state and county office of education in the case of an emergency apportionment, and Education Code Section 42127.6 et seq details the oversight responsibilities of the county office of education when a district's budget is disapproved or their interim report contains a negative certification. AB1840 amended certain provisions of EC §42135 as they relate to actions to be taken by the superintendent of the county when an emergency apportionment is required.

The District received a letter from the Sacramento County Office of Education (SCOE) based on the District's Negative Certification status of the First Interim Financial Report that requires the District to submit a Fiscal Recovery Plan to SCOE along with the Second Interim Report.

<u>Financial Considerations</u>: A completed Fiscal Recovery Plan will be presented to the Board in conjunction with the Second Interim Financial Report at the March 7, 2019 Board Meeting.
