efficiency status for each District school.

Public Comment:

Anne Hartridge has concerns that some textbooks being used are not consistent with curriculum frameworks and that they are not current. She gave the example of a West Campus High School Biology textbook, 2002 edition, that is currently being provided. She also noted that the teacher is not

annual Federal Program Monitoring review. That review requested that we update this Board

Proposition 30 expires in 2018. Proposition 51 is a statewide school facilities construction and modernization measure. It would authorize \$9 billion dollars in bonds for California schools, \$7 billion dollars for K through 12, and \$2 billion dollars for community colleges. If passed, our District would be eligible for \$51.2

Member Woo spoke on behalf of the District last year; however, he will not be there this year. He hopes that one of the other Board members will be able to attend and speak on behalf of the District.
