- Background/Rationale :

Recent studies have found that effective principals have far greater and more positive impacts on student achievement and attendance and teacher satisfaction and retention than previously realized. (Grissom et al, 2021). Tonight's presentation focuses on SCUSD's multi-pronged approach to building the capacity of site leaders, site leadership teams and educators to foster a culture of collaboration focused on student learning at their school sites. With a focus on SCUSD's strategic priorities of *High-*
