College and Career Going Update

VI. Results:

As of November 29, 2020 SCUSD students have launched 210 CSU applications, 152 applications to UC Davis, and 558 FAFSA applications. We anticipate to get another update on our local data by the end of the week. In terms of CTE, we saw a total of 1,155 Concentrator courses completed, an increase of 281 courses over the 2019-2020 academic year. We saw a total of 333 Completers, an increase of 110 courses over the 2019-2020 academic school year. This is significant as it is one of several data elements used on the CA Dashboard.

VII. Lessons Learned/Next Steps:

- Work with sites to develop a plan for supporting students with college applications that are in alignment with the deadlines (ie., support with UC/CSU applications before the CCC applications)
- Develop a plan for supporting students which includes all Counselors, not just those with a senior caseload
- Develop a plan for supporting students during the Thanksgiving holiday
- Organize ongoing check in sessions with college/universities to ensure all technical issues are resolved as quickly as possible
- Develop in-depth FAFSA training
- Work with our UC partners to get applicant data
- Continue working with the Youth Development Department to explore student led college going campaigns and expand their service hours
