Division: Accountability Office

Recommendation:

This information is provided for board consideration. No recommended action.

Background/Rationale:

Sacramento City Unified School District has made school safety a top priority since the Safe Schools Office was established in 1999. In 2011, the Safe Schools Office was merged with Security Services and is now known as Safe Schools and Security Services. The goal of this office is to provide a consistent message in regard to safety. Promoting school and student safety helps establish the best possible environment for academic and life success. Safe Schools and Security Services also provide security to Sacramento City Unified School District sites during normal business hours and after hours, as well as weekends and holidays.

Financial Considerations:

None
