2025 master schedule reflects the 2024-
following up with students to ensure they receive the courses they need to graduate. The CCR Department has been busily working on the 2025 master schedule which reflects the needs of students. The world of CTE is in a very exciting season as new state funding has infused a renewed sense of energy and opportunity. The CCR Department would like to share an overview of this exciting work and how students have positively benefitted.
