8.0 TIONS

8.1 Employee Organization Reports

SCTA Nikki Milewska congratulated and welcomed

Member Phillips as the new Board President, and Member Singh and Member Rhodes as other members on the Executive Committee. Since July, the District has been moving in a positive direction, and they expect that it will continue with the President's leadership and the entire school board. Yesterday, they joined with District staff, Board Member Jeane, and professors from Sac State to host a showcase for dozens of student teachers from Sac State that are doing their training in our district to

working diligently to develop their initiatives for the 2024 school year. As a reminder, they are following the youth participatory action research model to critically research and analyze the problems that are currently facing the SCUSD youth. As part of the process, they develop a youth survey in the fall to hear from their peers regarding the concerns that they feel should be addressed. They received a total of 1,547 survey responses which is the most

responses ever received by the SAC. They have spent the last two weeks analyzing the data to determine their areas of focus. Some of the issues recognized include dual enrollment support, college and real world readiness, campus facilities and hygiene, equitable access to menstrual products, substance abuse support, special education, and quality of the school food. Final findings will be presented in the Spring with the ultimate goal of tangible youth-centered change. They hope that all Board members will attend at least one of their SAC meetings this year.
