Board Comments: Member Jeane asked the student what type of activities take being brought forth, because participation as lacked in years past, but hoping that this resolution will change that, so there is more awareness of these weeks. Member Phillips shared that everyone should be voting and Wanted to make a note that President Rhades' name is missing an "S" on the resolution, so she wanted to make sure it is revised. Member Kavatta shared that for staff this should be more

the Board, and wants to ensure that this is a Board-led effort where they can work on it together.

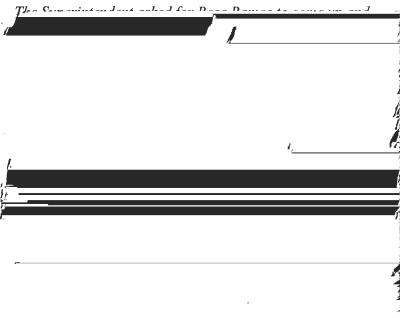

Seacrest shared what the District is currently doing to achieve this ultimate goal.

Member Singh shared that if we are writing that there are no financial considerations, should we remove what the District will do since it will cost money?

Member Rhodes responded to Member Singh and shared that this is just in support of and stating that we are heading in that direction.

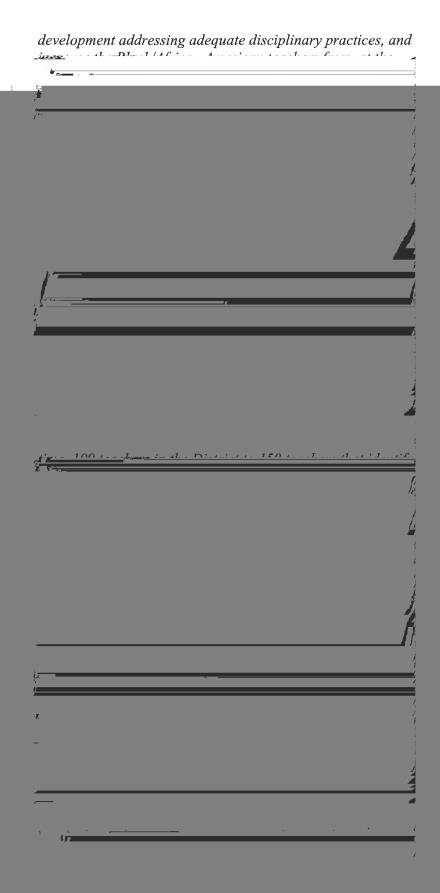

financial considerations and what it entails.

Rose Ramos stated that President Rhodes is correct. Staff is simply asking for support of the resolution. In this particular item being brought to the Board, we are not asking to approve any kind of funding for any of the projects at this point. That
