

**Board of Education Meeting January 12, 2012
Information for Agenda Item 9.4**

Reallocation Options for Consent Decree Set Aside Funds

Summary:

The District is making great strides to keep up with the ever changing landscape of technology.

Conversion of Primary Classrooms

Currently, Phoebe Hearst's three first-grade classrooms are designed for a 20-to-one student-to-teacher ratio. To increase the number of students per class and comply with state

Hubert H. Bancroft Elementary School

Summary:

With the closure of Thomas Jefferson Elementary School in 2009, the Bancroft boundary was

expanded and its student enrollment increased. This growth continues and the number of

fifth-grade classes will need additional space. The blending of two schools, the growth in

Master Plan Update

Summary:

The Master Plan is a strategic document that provides information and guidance to the District's Board of Education. It is a living document that is updated periodically to reflect changes in the District's needs and goals.

is organized to provide a continuous basis for planning educational facilities that will meet the changing needs of a community and alternatives in allocating facility resources to achieve the District's goals and objectives. It is used for planning facilities needs for either pupil enrollment growth or decline and is critical in assessing and planning facility needs related to future and pending local and state construction bonds.

Recommendation:

The District recommends updating the current Master Plan to include site specific Educational Specifications and Design Standards/Specifications for individual sites.
