

FACT System Modules and Documents

The screenshot displays a web-based interface for the FACT System. At the top, there is a search bar and navigation tabs. Below this, a list of modules and documents is presented. Each item has a checkbox and a small icon. A sidebar on the right side of the page lists various categories and documents, including 'Inquiry into Teaching and Learning', 'Continuum of Teaching Practice', and 'Self-Assessment of Pedagogy'. The main content area shows a list of items such as 'Individual Induction Plan', 'Essential Components for Instruction', and 'Entry-Level Assessment Resource'. The interface is cluttered with various UI elements, including buttons and icons, suggesting a complex navigation system.
