

Pare

The image features three horizontal bars of different colors: a light blue bar at the top, a light orange bar in the middle, and a light green bar at the bottom. Each bar is solid and spans the width of the page. The word 'Pare' is centered at the top, followed by a thin black horizontal line.

Parent Guide for Grade 6 Math

Expected Behaviors in Math Class

...

Consider available tools to help them solve problems and deepen understanding (including hands-on tools and technology).

Look for patterns and connections.

Explain their thinking and their process for solving a problem.

Make predictions and estimations.

Decide if an answer is reasonable.

Justify conclusions.

Communicate ideas clearly verbally and in writing, using math vocabulary when appropriate.

Apply mathematics to solve problems in everyday life.
