Recommendation during the 1996-97 and 1997-98 school years. For the 1998-99 school year the district further expanded reduced class sizes for kindergarten and third grades. 1999-2000, the district fully implemented the ~~K~~ Class Size Reduction Program. This application will ~~at~~ the flow of funding for 2012-13.

Financial Considerations: The state provides operational funding to implement the Class Size Reduction Program. For 2012-13, the operational funding is \$1,071 per pupil. The application for funding combines the district request and Bowling Green Charter Elementary School (dependent elementary charter).

To receive this funding, the local Governing Board must apply to participate in the program.
