NOTICE OF INTENT TO AWARD

Re: RFQ 24-25737 School Mural Program

Dear Respondents,

Thank you for submitting a response to the District's Request for Qualifications for the School Mural Program.

Twenty Six (26) responsive submissions were reviewed by a Selection Advisory Committee to determine suitability for the District's Mural Projects Pool. The Selection Advisory Committee considered relevant factors, qualifications, experience, response format and content.

Ultimately, the Committee determined twenty four (24) Respondent's submissions are qualified to provide mural project services for the District's future needs.

Therefore, the Committee has recommended that the twenty four (24) Respondents listed below are to be recommended for award into the School Mural Program Pool Group.

The recommendation will be presented for approval at the anticipated June 20, 2024 meeting of the District's Board of Education.

Thank you again for the work and effort put forth submitting a response and I look forward to working with you in the future.

Respectfully,

Robert Aldama
