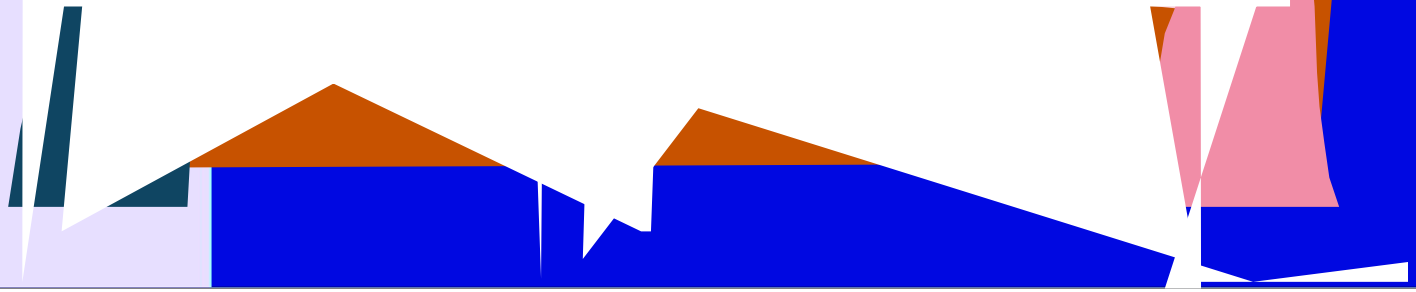
Sacramento City Unified School District

Putting Children First

Day 2 ς

Welcome

Please sit by grade level.



Read

- Cooperative Learning p.11

and

- Student Engagement Strategies p.15

As you read:

- what you're already doing
- Underline what you're going to try
- Circle any questions you

On your yellow piece of paper folded in half:

- What strategies have you seen/read about that you could implement next year?

What are the components of a Unit of

Lesson Plan Rubric

As needed:

- Ensure standards are addressed
- Complete sections
- Make directions more explicit

Lunch

- Use the rubric to review a lesson
- Revise the lesson as needed
- If time, revise another lesson

Putting Children First

Tuning Protocol

Cognitive Rigor Matrix

- How is it similar to Bloom's?
- How is it similar to Webb's DOK?

Sorting Tasks

- As a table, decide where each task lies on the Cognitive Rigor Matrix
- For tasks that are very low in rigor, how could you change the task to make it more rigorous?
- How are the SMPs and shifts evident in the tasks?

On your yellow piece of paper folded in half:

- When using a lesson plan, what do you find as the most helpful element?

Be prepared to read tomorrow morning

See you at 8:30am!
