- (e) Attack the problem not the person.
- (f) The Committee will operate within the context of the “public” dialogue, which means the discussion is open for the public review and is not confidential.

Section 10. Decision Making. Our goal is to use consensus to make our decisions. It is not expected that all members will agree with every aspect of a decision. Rather, a decision will be final when all members agree that they can “live-with” the general intent and direction of the decision. If consensus is not achieved in a timely manner the Chair will use “Robert’s Rule of Order” to call for a final vote. The Committee decisions will be evaluated by the Chair to ensure that they are within the context of this charter, and if they have been made using appropriate analysis and decision-making processes.

Section 11. **Amendment of Bylaws.** A proposed amendment to the Bylaws shall be placed on the Agenda by a majority vote of the Committee.
