

Policy 1330: Use of School Facilities

Status: ADOPTED

Original Adopted Date: 11/16/1998 | Last Revised Date: 11/05/2001 | New Proposal: 11/21/2024

The Governing Board believes that school facilities and grounds are a vital community resource which should be used to foster community involvement and development. Therefore, the Board authorizes the

authorize the use of school buildings, without cost, for the storage of voting machines and other vote r
tabulating devices. However, if a city or county election official specifically requests the use of a school
building as a polling place, the Board shall allow its use for
