Re:

Dear Mr. Durgin,

SCUSD continues to share its updates regarding corrective actions outlined in the California Department of Education’s (“CDE”) March 8, 2021 Investigation Report (“Decision”) for Case S-0401-20/2. The seventeenth update is as follows:

- : The initial IEP has been held and completed.
- : Completed, submitted, and pending CDE’s final review.
- : Completed, submitted, and pending CDE’s final review.
- : Completed, submitted, and pending CDE’s final review.
- : Completed, submitted, and pending CDE’s final review.

: Please see attached spreadsheet entitled “CDE Submission 8_13_21”. The spreadsheet includes the SSID, SEIS ID, school site, last name, first name, date of birth, date IEP is due, initial or triennial indicator, In-process indicator (Yes, No, Speech Only) for assessments, assessor indicator (site staff or NPA), IEP meeting status indicator (completed, scheduled, not scheduled), and IEP Team meeting date. The spreadsheet also includes Status Checks for completion.

SCUSD will continue to collaborate with teams of available staff and appropriately certificated/licensed contracted assessors to complete outstanding assessments and hold IEP meetings throughout August.

: During the 2021-22 school year, SCUSD developed a guidance document for IEP teams to determine learning loss needs as well as the need for compensatory services. This guidance document was previously provided to CDE.

In response to the large number of students that are impacted by the COVID-19 related school closures, SCUSD is developing a two year plan to address learning loss mitigation and compensatory education. The draft plan has been provided for the CDE’s review and outlined in three phases. SCUSD will continue to refine the plan, in collaboration with community input and its partners, throughout August. The District welcomes the CDE’s feedback and the opportunity for further discussion regarding its draft plan.
